

Men's and junior development Head Coach required

Eastbourne Hockey Club are reviewing its coaching options and seeking a suitably qualified and experienced coach or player / coach to help drive the club forward. This is a hands on role; as well as coaching the men's elite teams to perform to their potential the successful candidate will take an active interest in the club and will either directly or through a number of assistant coaches ensure appropriate training for all. They will be expected to watch the various teams through the season. They will be expected to pay particular attention to our junior talent pool to ensure their skills are developed and tested appropriately for the benefit of the club and the players.

Deliverables

- Deliver high quality coaching for performance players and instil performance behaviours
- Give individual player feedback for improvement
- Develop young talent within the club
- Give guidance to coaching assistants
- Communicate effectively to young and senior players

Qualification

- Appropriate coaching qualification
- National League or International coaching / playing experience preferable

Current training times

- Mens Thursday 1800 – 2100 (subject to change)
- Match Days:
Home and away fixtures on Saturday afternoon

Start Date: 2016/17 season

Salary: Negotiable dependant on experience

With over 250 members Eastbourne Hockey Club is a large club in Sussex, we offer inclusive hockey to all levels and abilities. We run 4 Ladies teams in the Sussex and regional leagues, the Men's 1st team play in the South Premier 2 and a further 5 teams play in the Sussex leagues, plus veteran, mixed, junior development and summer league teams. We have a pitch side clubhouse and sociable bar.
